

Guam

Marsh's Guam operation was incorporated and established in 2003 to service the insurance brokerage needs of clients in the Micronesian Islands east of Hawaii and west of the Philippines.

Its service area includes:

- Guam (regional office);
- Saipan and the Commonwealth of the Northern Mariana Islands;
- The Republic of Palau;
- The Federated States of Micronesia; and
- The Marshall Islands.

As part of Marsh, the operation has unique access to global resources and property and casualty insurance markets.

A full-service broker, Marsh provides a comprehensive range of integrated services to clients, including:

- Risk and insurance assessment, such as the total cost of risk analysis, risk mapping, and strategic risk analysis;
- Insurance program design;
- Placement of all lines of insurance with experienced and secure underwriters;
- Advice on insurance security and renewal presentation to markets;

- Risk consulting in all major industries;
- Risk management, such as hazard management and control for physical assets;
- Alternative risk transfer arrangements, such as captive insurance feasibility studies and program development;
- Claims management; and
- Industry practice specialisation, particularly Construction, Marine, and Financial and Professional (FINPRO).

In addition, Marsh's Guam and Micronesia clients benefit from the unique expertise of the following Specialty Practices:

- Aviation & Aerospace;
- Power, Energy & Utilities;
- Telecommunications;
- Hospitality;
- Marine;
- Construction;
- Financial Products (FINPRO); and
- Employee Benefits.

Marsh has the ability to respond to clients' risk needs with a staff of professionals who have more than 73 years of combined international and local insurance experience.
