

Philippines

Marsh's Philippines operation is the country's leading insurance brokerage and risk management consulting firm, as well as the only wholly owned global brokerage and risk consulting company operating in the marketplace.

Marsh is rapidly broadening and strengthening its presence by ensuring that services are available to all segments in the market. As a full-service brokerage operation, it offers a comprehensive range of integrated services to clients, including:

- Risk and insurance assessment, such as the total cost of risk analysis, risk mapping, and strategic risk analysis;
- Insurance program design;
- Placement of all lines of insurance with experienced and secure underwriters;
- Advice on insurance security and renewal presentation to markets;
- Risk consulting in all major industries;
- Risk management, such as hazard management and control for physical assets;
- Alternative risk transfer arrangements, such as captive insurance feasibility studies and program development;
- Claims management; and

- Industry practice specialisation, particularly Construction, Marine, and Financial and Professional (FINPRO).

The Risk Management Group, the Middle Market Group, and the Employee Benefits Group are three distinct divisions that cater to the needs of large corporations, industrial-sized clients, small to mid-size businesses (including individuals), and companies' employee benefits packages.

Clients also benefit from innovative, yet sensible advice in hazard management and loss control provided by Marsh's Risk Consulting Practice. These services are often incorporated as part of an integrated risk management package designed and implemented by Marsh.

Specialty Practices focus on the unique exposures of various industries, including:

- Power, Energy & Utilities;
- Oil, Gas & Petrochemical;
- Telecommunications;
- Semiconductors;
- Pharmaceuticals/General Manufacturing;
- Financial & Professional (FINPRO);
- Marine;
- Aviation & Aerospace; and
- Due Diligence/ Lenders Advisory Work.
